

DOCTORAL SUPPORT CENTER
OPERATION DISSERTATION ACCELERATION (ODA)
FALL 2014
UNIVERSITY PARK CAMPUS – LEAVEY LIBRARY

Operation Dissertation Acceleration (ODA) is an intensive writing retreat for doctoral students who need/want to set aside a serious block of time to make a significant push toward the next step in their dissertation.

The retreat is designed for students who:

- A) Have research question(s) but have not been able to complete chapters 1, 2, and 3 (the proposal); or
- B) Have defended their proposal and collected data, but have not completed chapters 4 and 5.

Retreat participants will be selected and assigned to work directly with a DSC writing advisor. For the Leavey Library ODA, the ratio of advisor to students will be 1-4 which means students will have significant support and interaction on their project. In addition, participants will exchange papers and support each other through peer-to-peer feedback. Applicants are accepted on a first come first serve basis.
